Staff Safety & Security Questionnaire

In an effort to ensure the highest level of security for our staff and campers, we are performing a safety and security audit. Your input will help us increase security. Please fill out the following questionnaire and leave it in the camp's designated location, so that we can review it and improve the camp security measures accordingly. Camp safety is everyone's responsibility. Thank you.

Name _____

Phone _____ Email _____

1. Are you aware of our camp's safety and security protocols? _____

2. Have you been trained in the appropriate protocols? _____

3. Do you feel confident in your ability to implement these protocols? _____

4. What areas of our safety and security protocols need improvement?

5. What on-site physical measures need to be implemented or changed?

6. Which safety and security needs are being met appropriately at our camp?

7. Do you feel our camp is placing the right amount of emphasis on safety and security? _____

8. If cost was not a major factor, how would you improve on the present safety and security of our camp? _____

9. If you were responsible for our camp's safety and security, how would you do things differently? _____

10. Additional comments: _____

By submitting this questionnaire to the camp, I agree to all terms and conditions of the contest.

Signature _____ **Date** _____

Please use additional paper if necessary.

Your feedback is critical and greatly appreciated!
